

Brian Gault

Fidelity Investments

Brian Gault is a proven cybersecurity thought leader who has successfully created and led cybersecurity and risk management programs for 22 years, for thousands of clients across a myriad of different industries. His primary areas of expertise are cybersecurity, risk management, and public speaking. Brian has been with Fidelity Investments for over 15 years and currently serves as Director, Customer Protection. He's responsible for a new value-add service that he'll be telling you more about today – CyberWellness®, which provides cybersecurity assessment, consulting, and training services to select clients and advisors. Brian is a US Navy Veteran and served in Europe and the Middle East supporting Operations Decisive Endeavor and Southern Watch.
