

Teri Weber | MBA · GBA3 · PMP

Teri Weber is a Senior Consultant and Senior Vice President with Spring Consulting Group, an Alera Group Company. She has more than fifteen years of experience in health and welfare plan strategy, design, pricing, and implementation with a focus on absence management including disability, family medical leave, PTO and leave of absence tracking. This area of specialization has allowed her to work with diverse employers and providers to streamline processes and programs to meet the needs of insurers, administrators, employers and

employees. Prior to joining Spring, Teri worked with Watson Wyatt, Buck Consultants, Aon Consulting and a well-known data and analytics firm. In addition she was an Account Manager with Health Direct, Inc. Teri earned a BS at the University of Connecticut and a MBA at the University of Massachusetts. She is a licensed broker and on the Board of Directors of the New England Employee Benefit Council.
